Dear Dara,

I want you to know how pleased I was with your services in selling my property on Massawippi, in North Hatley.

Not only did you recommend to paint the house and garage, but found a competent contractor and took care of the project.

You priced the property much higher than I could have gotten on my own, and sold it near asking.

The complicated sale, due to the will, was handled efficiently and effortlessly, with as little stress for me as possible.

Thank you once again for your time and expertise. I was certainly pleased with the process.

Sincerely,

---

Hugh Hallward
